Reference letter

We worked with Maciej Trokowicz - 3Sports & Events Sp. z o.o.- between 26th and 29th of May 2010 on the logistics of a 4-day conference. Maciej helped us organizing all transfers, guides, locations and in addition to this he was always on site to broker between Protea GmbH and polish suppliers, artists and restaurants.

We were very satisfied with the service he provided. His commitment and help was essential for the success of our event. We would be very pleased to work with him anytime again and will recommend Mr. Trokowicz to everyone who needs assistance with his/her event in Poland.

Best regards,
